

**SALEM PASTORAL COUNSELING CENTER**  
OFFICE POLICIES/INFORMED CONSENT

Prior to beginning treatment, it is important for you to familiarize yourself with your counselor's approach to treatment, your rights and responsibilities, and Salem Pastoral Counseling Center's (SPCC) office policies. This document, along with your counselor's Professional Disclosure Statement and our Notice of Privacy Practices, discusses these topics. Please take the time to review the information contained in these three documents and ask any questions you may have. After your questions and concerns have been answered, please sign and date on the reverse side of this page.

**Approach to Treatment:** To provide the best care possible, it is important that your counselor has a clear understanding of what brings you to treatment. In order to gain that understanding about your past and current functioning, a thorough assessment will be completed. Following the assessment, a treatment plan will be formulated and together with your counselor you will work towards the goals established. It is crucial that you are an active participant in therapy and candidly express with your counselor your treatment needs.

**Risks and Alternatives to Treatment:** It is important for you to know that there are risks involved in therapy. For example, some people experience an increase in stress particularly during the early stages of therapy. In some instances, discussing longstanding, unresolved problems can seem to aggravate rather than help with a problem. It is normal and understandable that it will be uncomfortable facing difficult feelings and situations. Keep in mind that, often, "the best way out is through", and your counselor will endeavor to walk through it with you. Your counselor may ask, "what will be different if counseling is successful for you?" You get to define that, and to a large degree are in charge of the pace and progress of your healing journey. If you or your counselor feel at any time that the professional relationship is not a good fit, your counselor will be willing to assist you in finding other options.

**Appointments and Cancellations:** Counselors work variable hours Monday through Friday with some evening appointments available. Counseling sessions are typically 45-55 minutes in duration. Please try to keep appointments you make, even if it is inconvenient. Appointments may be canceled or rescheduled by calling the voice mail of your counselor at 503-370-8050 and entering their extension. Because our counselors do their own scheduling, your counselor will contact you to reschedule. There is no charge for appointments canceled more than 24 hours in advance. However, except for genuine emergencies or illness, missed appointments and those canceled with fewer than 24 hours notice will be billed up to the usual fee (\$165) for the time scheduled. Insurance companies will accept billing only for appointments actually kept, the client is billed directly the full amount for missed sessions.

**Phone Calls and Emergencies:** Salem Pastoral Counseling Center has a 24-hour/day, 7-day/week-voice mail system that can be reached by dialing 503-370-8050. All calls are routed through our confidential voice mail system. If you have a life-threatening emergency, please dial 911. If you are a current client and have an urgent situation, the on-call counselor can be reached by dialing 503-918-2180. A counselor will return your call as soon as they are able and will make effort to contact your specific counselor directly.

**Confidentiality:** Sessions are confidential with the following exceptions: (1) A report of suspected child abuse; (2) Threats to commit suicide; (3) Threats of violence against another person, (4) Abuse of elderly persons; (5) An acknowledged waiver of the privilege by the client; (6) By court order (7) When contacting a collection agency for nonpayment of fees. Written permission from you is necessary in order for your counselor to release information to another person. Please refer to our Notice of Privacy Practices for a more complete outline of how your confidential information is handled.

**Communications and Your Privacy:** Please know that despite all security efforts, email, cell phone including text messages, and fax communication can be relatively easily accessed by unauthorized people, which can compromise the privacy and confidentiality of such communication. If you convey sensitive personal information by cell phone, email, or fax, your counselor and SPCC assumes that you have made an informed decision accepting this risk. To protect your privacy, we strongly suggest communicating sensitive information in person or on your counselor's confidential voice mail and limiting email or cell phone communication to scheduling issues only. Please also understand that any requests for contact related to social networking will not be confirmed or acknowledged to protect your privacy.

**Legal Issues: ALL COUNSELORS of Salem Pastoral Counseling Center are unwilling and unavailable to testify or advocate in legal situations, disability determination and custody studies.** If you need a court evaluation, testimony in court, or any legal support, your counselor will assist you in finding someone who can provide those services.

**Insurance:** Please review your insurance policy for coverage of outpatient mental health services. Sometimes insurance companies will require pre-authorization and it is your responsibility to obtain this prior to treatment or the insurance will not pay. SPCC will file insurance claims for you, however, this is a courtesy on our part. You are personally responsible for the entire insurance process. We cannot guarantee that the insurance company will reimburse and it is important to understand that you, as the client, remain responsible for whatever portion of the bill your insurance company does not pay. Should there be an overpayment, we will refund the difference either to you or your insurance company, depending on who has overpaid.

**Payment and Billing: You are expected to pay your fee or co-pay at each office visit unless other arrangements are made in advance.** Our first session intake fee is \$195.00 and all subsequent fees are \$165.00 per session. All balances past due 60 days will be assessed a monthly 1.5% finance charge.

**Adjusted Fee Schedule** An income-dependent adjusted fee schedule is also available for those **without insurance.** If you believe you may qualify for the **adjusted fee schedule** (and are willing to provide documentation upon request) please complete the following:

1) Total family gross monthly income: \_\_\_\_\_  
(Include all income before taxes, including child support, spousal support, school grants, and state-assistance programs.)

2) Number of persons this income supports: \_\_\_\_\_  
Please keep your counselor informed of any changes in your financial status, as an increase or decrease of income will affect your adjusted fee.

Additional office information: (to be entered by therapist): \_\_\_\_\_  
If you have any questions, please don't hesitate to ask your counselor or the office staff.

**Consent to Treatment:** I have read the above information and have had the opportunity to ask questions about it. I understand my rights to privacy and the risks associated with treatment. If there are children involved in treatment, I hereby give consent for their treatment and affirm that I am the legal guardian with the authority to consent to treatment. I also agree to the payment and billing policies outlined above and accept full responsibility for any and all fees incurred. I consent to participate in treatment and I understand that I may refuse services at any time. I hereby authorize the Salem Pastoral Counseling Center to provide all information necessary to process all insurance claims. I am also aware that my counselor may periodically consult with other counselors at SPCC and/or with clinical supervisors on client issues. **My signature below indicates I have received a copy of my therapist's Professional Disclosure Statement, Notice of Privacy Practices, and have read, understand and agree to abide with the policies outlined on both sides of this document, and have obtained copies of these documents for future reference.**

- **Right to Request Restrictions.** You have the right to request a restriction or limitation on the use or disclosure of your PHI for treatment, payment, or health care operations. We are not required to agree to your request unless the request is to restrict disclosure of PHI to a health plan for purposes of carrying out payment or health care operations, and the PHI pertains to a health care item or service that you paid for out of pocket. In that case, we are required to honor your request for a restriction.
- **Right to Request Confidential Communication.** You have the right to request that we communicate with you about health matters in a certain way or at a certain location. We will accommodate reasonable requests. We may require information regarding how payment will be handled or specification of an alternative address or other method of contact as a condition for accommodating your request. We will not ask you for an explanation of why you are making the request.

If you believe we have violated your privacy rights, you have the right to file a complaint in writing with our Privacy Officer at \_\_\_\_\_ or with the Secretary of Health and Human Services at 200 Independence Avenue, S.W.
